“Protecting God’s Church”

**Conservative Theological University
Presents**

“Church Security” Seminar

One of the most vital issues of our day!! Churches, Pastors, Christians, and God’s ministries are under Satanic Assault across America Today!

Most pastors, churches and para-church ministries are unaware of the number of acts of violence, shootings, burglaries, forced entrances, and yes, murders that are taking place in ministry facilities across America.

What Every Church, Pastor, Church Security Team Should Know!!

- Churches are generally unarmed.
- Churches are generally trusting of everybody.
- Churches are generally “**Not** prepared.
- Churches are open, soft targets for terrorists, mentally challenged and the person seeking revenge against the preacher, because the pastor/preacher preached the Word.
