campaign funds from the gambling empire in exchange for them pushing this ungodly referendum. Just what is "slots gambling" and what will it do for Jacksonville?

The proponents, i.e. the politicians who have been paid for their votes, and the gambling industry will all benefit. BUT, what about the majority of the citizens of Jacksonville?

Please allow me to list just a few of the FACTS as relates to SLOTS.

1. Slot machine gambling is the MOST addictive form of gambling in the world.
2. Slots will cause welfare to dramatically increase, due to parents spending their income on addictive gambling rather than on food and clothing.
3. Foreclosures will increase dramatically due to families having NO money to pay rent or house payments.
4. Spousal abuse will increase exponentially due to fights and debates over money being spent on slots rather than family financial needs.
5. Student drop-out from school will increase due to broken homes due to slots gambling.
6. Lack of food on the tables due to lack of money to buy the daily necessities for the family.
7. Taxpayers will be burdened with the cost to provide for those affected by slots.
8. We, the taxpayers will pay the increase for city-county services due to harm by slots.

The slick television ads promoting this ungodly, demonic referendum will have us to believe that we should vote for SLOTS gambling. The argument is like this, if you vote YES on referendum it will:

- Provide for better roads, bridges, and infrastructure
- Provide for more police officers on the streets
- Provide for better education
- Provide for a better Jacksonville

**Ladies and gentlemen this all a LIE**, and cannot be supported by facts from ANY city or county where SLOTS gambling has been legalized. Please think about this: if we have great roads, quality education, additional police officers and more tax money, yet we **DESTROY OUR FAMILIES** and **DESTROY the morals and ethics of the foundational fabric of our society, WHAT IS IT WORTH in the end?**

**ONE FINAL POINT;** There is a case now pending in the Florida Supreme Court that must FIRST be decided before ANY county or municipality can LEGALLY institute slot machine gambling. AT THE PRESENT TIME, according to Florida law, the only place in the entire state that SLOTS are legal is on the Seminole Indian reservations in South Florida. The Supreme Court MUST decide if the Florida law can be contravened to allow cities to implement SLOTS gambling.

The gambling empire of Florida is attempting to circumvent the

**Florida and America- A Look at our Future**

**Let's fast forward** a few days and say that this is the morning of November 9th 2016. What will the news headlines look like? Every citizen, every American, every Christian should be vitally interested in what these headlines would look like.

Could it be that we read: **Hillary Clinton** elected the President of the United States? If that becomes a reality, let us just review what all Americans will face in a Hillary administration:

1. The immediate intervention in religious liberties and freedom of speech.
2. The immediate intervention in the second amendment right to keep and bear arms.
3. The immediate push to nominate Supreme Court Justices who will broaden the planned parenthood agenda for America-- MURDER on demand.
4. The complete loss of American sovereignty due to OPEN borders. Remember Hillary said, in a speech to Wall Street that she wants to see a hemisphere of 600 million people and NO borders.
5. The largest number of illegal aliens entering America in the U.S.history.
6. The ultimate deterioration and destruction of the capitalistic, constitutional form of government that we have had for over 240 years.
7. Our government up for sale to the highest bidder, proven by Hillary Clinton's past record.

Or perhaps we would read the bold headline: **DONALD J. TRUMP** has been elected President of the United States. Should America be fortunate enough to read this headline, this is what we could expect for the future of our great nation:

1. Supreme Court Justices who will adhere to the Constitution.
2. Judges who will ultimately rule against murder by way of abortion.
3. An immediate buildup of the US military as it should be.

3 For this is good and acceptable in the sight of God our Saviour;

4 Who will have all men to be saved, and to come unto the knowledge of the truth.

5 For there is one God, and one mediator between God and men, the man Christ Jesus;

6 Who gave himself a ransom for all, to be testified in due time.

**Daniel 2:21**

<sup>21</sup> And he changeth the times and the seasons: he removeth kings, and setteth up kings: he giveth wisdom unto the wise, and knowledge to them that know understanding:

**Matthew 5: 13-16**

13 Ye are the salt of the earth: but if the salt have lost his savour, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men.

14 Ye are the light of the world. A city that is set on an hill cannot be hid.

4. America once again having protected borders, (a wall on the southern border).

5. Our nation's military will engage in the total destruction of Islamic terrorists and terrorism.

6. Our nation's police and other law enforcement personnel once again protected from the present anarchy.

The future of America is in the hands of **We, The People** as we vote on November 8th.

## The FUTURE of Jacksonville and Florida?

The ballot will have several serious initiatives for the voters to decide. If Amendment 2 is approved by the voting citizens, it will be very destructive for Jacksonville and the state of Florida.

**AMENDMENT 2:** This amendment has a FALSE title, "Use of Marijuana for debilitating medical conditions". The attempt is to sell this amendment by a sympathy for ill people. However, all that anyone needs to do is to study the state of Colorado to determine what we should do in Florida. Let's look briefly at the conditions in

Colorado after about 3 years with legalized marijuana statewide. Just what are the present conditions? I will list just a few for consideration.

1. Marijuana is getting into the hands of kids via the marijuana laced cookies, gummy bears, fudge, brownies and other candy products.

2. There has been a major increase in drug abuse and total addiction at all age levels.

3. Deaths by way of overdose have increased off the charts in every county in Colorado except one or two counties.

4. Auto accidents have majorly increased due to impaired drivers.

5. Major increases in home invasions, burglaries, robberies, thefts, etc, addicts seeking money for another drug induced HIGH.

6. About four and one half percent of all adults seriously considered suicide within the past twelve months due to drug inducements.

7. The use of drugs and alcohol is higher in Colorado than the national average

8. There has been an increase in mental illness.

9. Over 550 thousand adults try marijuana monthly, leading to multitudes of addicts.

10. Drug treatment centers and clinics with associated programs have increased exponentially.

15 Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

16 Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

**James 1: 5**

<sup>5</sup> If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him.

**2 Timothy 2:15**

Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth.

We pray that you have enjoyed and been informed by our newsletter.

Let us know what else you would like for us to cover.

Feel free to share this with interested friends and family.

11. The sale and use of marijuana have caused a spike in the increase of illegal prescription drugs and HEROIN, etc.

12. Kids, teenagers are dying from drug overdoses at an alarming rate

13. Colorado has the highest youth rate of marijuana usage in the nation

14. Heroin overdoses have risen 39% because marijuana is a gateway drug for heroin and other more dangerous drugs.

15. More fatal automobile crashes due to impaired drivers.

16. Law enforcement is helpless to enforce laws due to the legalization of marijuana.

17. Welfare and other governmental assistance programs have increased to assist families that are broken and down due to drug use

NOTE: Advocates say that this amendment is for medical marijuana. If that is the case, then let the pharmaceutical companies develop and dispense through the normal prescription outlets in Florida, not a pot shop on every street corner.

**WE MUST VOTE NO TO MEDICAL MARIJUANA FOR THE STATE OF FLORIDA.**

## A NATION ON TRIAL

### ***A Nation on Trial- America Stands Before God***

Throughout the centuries, empires and nations have risen and fallen. Within the pages of Scripture, time and again, we are confronted with God's judgment revealed against nations that have turned their backs on Him. God will not be refused, rejected, or rebelled against; He is God, and He will be recognized and honored, or He will declare that nation guilty, and His judgment will fall. This book offers averse by verse study of Isaiah Chapter One- an incredible example of "A Nation on Trial." America is "A Nation on Trial".

Printed in January of 2015, this is Dr. Youngblood's first publication of this year.

### The Doctrine of Self Defense

***The Doctrine of Self Defense-***  
*An In-Depth Look at the Second Amendment of the Constitution, The Right to Keep and Bear Arms.*

In this penetratingly cogent and thought provoking work, "The Doctrine of Self Defense", Dr Youngblood sets forth the case for "the right" of self-defense as originated in the Bible.

Citizens' right to keep and bear arms is not to be infringed. Our Bill of Rights is to be preserved and protected under the rule of law, and under the watchful eye of every patriot-citizen. This work is a solid contribution to the American patriots' arsenal of truth.
