Shadow Government in America?

Although it is not unheard of or unusual to hear of shadow governments in third world countries, it is ominous to come to the frontal reality that America now has a fully operational "SHADOW GOVERNMENT" tirelessly working to overthrow the democratically elected President.

President Trump's leadership is being challenged on every hand. His every word is being rejected and

challenged. Perhaps you would be bold enough to ask how do you know? Why do you feel that this is true? OR, better yet, you may say, as the lost liberals in Washington are challenging, where is the PROOF?

First of all, before getting into the nitty-gritty of outlining the factual series of events, may we look at Scriptural warnings:

In Second Timothy Chapter 3, Verses 1-4 we read:

"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves; covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasure more than lovers of God, having a form of godliness, but denying the power thereof: from such turn away."

PERILOUS TIMES

Our attention is directed to the phrase, "**PERILOUS TIMES SHALL COME...**" The word perilous means Dangerous, Deadly, Difficult, Desperate, Devastating, Depraved, and Deceitful.

This fully expresses what we are facing in America today-what is being played out in full view of everyone who has eyes to see the truth of what is taking place in Washington D.C.

Why is it important for us to understand and become aware of the dangerous political happenings? This Shadow Government is NOW operating in the shadows, in full control of the imbedded bureaucrats in the Washington establishment, that includes over four thousand OBAMA holdovers, who are now working in President Trump's administration.

Former President Obama lives just a very short distance from the Capitol with Valerie Jarrett, whose father, a grandparent and father-in-law were hardcore Communists under investigation by the U.S. government. It is from Obama's organization known as O.F.A., "Organizing For America", formerly known as Obama For America. It is through this organization that Obama commands over 300,000 individual political warriors to carry out every directive of Obama. Most, if not all, of the riots, demonstrations, and confrontations at every Trump

2 Timothy 3:1-4

This know also, that in the last days perilous times shall come.

3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;

Matthew 5:14-16

14 Ye are the light of the world. A city that is set on an hill cannot be hid.

15 Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

16 Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

Ephesians 1: 18

18 The eyes of your understanding being enlightened;

event are fomented by this group with directions from Obama.

What we must know is that the entire Washington establishment was fully convinced that Hillary Clinton would win the White House. Every department in Washington D.C., including the intelligence apparatus and the State Department, etc. supported Hillary by 96% to 99.2% in their political contributions.

Short List of Destruction

BUT, this is NOT all the evidence and/or rationale. Let's just look at a short list of other delays, and/or attempts to destroy the Trump presidency:

- **Wiretapping** of Trump's phones
- **Eavesdropping** and acts of espionage by the Democrats and the Obama operatives
- **The NSA, CIA, FBI**, and each and every other intelligence gathering agency in America are now in the tank for Obama.
- **In January**, BEFORE Trump the candidate was inaugurated as President, then President Obama, gave 16 departments and operatives, the full access to all the TOP SECRET intelligence. This was historically only in three departments' hands.
- **Now, every day** there are leaks of top secret intelligence information that can and WILL destroy our American government UNLESS it is stopped immediately.
- **4,000 holdovers** from the Obama administration, who are foot-dragging and rebelling against any TRUMP directive.
- **According to WikiLeaks** Americans and non-citizens living in the USA are being watched, monitored, and listened to via every cell telephone, TV, or any other electronic device, *even if the device or TV is turned off.*
- **Through these technologies**, in the hands of BIG BROTHER intelligence-gathering rogue operatives, there is even technology with the ability to control your car, "if your vehicle has a computer on-board". Your car can be remotely braked, accelerated, steered to the right or to the left, causing your car to crash, without your ability to control it... BIG BROTHER, via an OBAMA controlled "SHADOW GOVERNMENT".

Recently Jay Sekulow of the ACLJ organization said,

that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints,

2 Chronicles 7: 14

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Jeremiah 29: 11

11 For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.

Romans 15:4

4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.

1 Timothy 2:1-3

I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men;

2 For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty.

3 For this is good and

"Obama is engaged in EXPLOSIVE SABOTAGE that is out of control". Further Sekulow said, "Obama has criminally violated the Espionage Act and has broken a variety of federal criminal laws".

Question: How is it that the intelligence gathering departments can deny any of the illegal acts against all Americans?

Answer: They have contracted over 1,000 computer hacking experts overseas. These contracted hackers gather the information, and then deliver it to US officials. Therefore, the US intelligence apparatus has plausible deniability- "we did not hack or eavesdrop or wiretap any American citizen".

Mark Levin and Congressman Trey Gowdy said, "TRUMP is the victim of Obama's DEEP state of CONSPIRACY".

Finally, we have the former US attorney general, Loretta Lynch who recently on a Facebook video said, "we need more marching, blood and death on the streets of America". And who is Lynch working for?

Conclusion:

Although the above is NOT exhaustive, it is nevertheless a fair truncated overview. We should all be exceedingly concerned about our liberties and freedoms. If the President of the United States is living and working with his life in danger under "A SHADOW GOVERNMENT", just how safe are we as simple, common citizens?

We must PRAY always, seeking the Lord for HIS wisdom and asking God to bless America and protect President Trump.

President, Founder C.T.U.*

[A Nation On Trial](#)

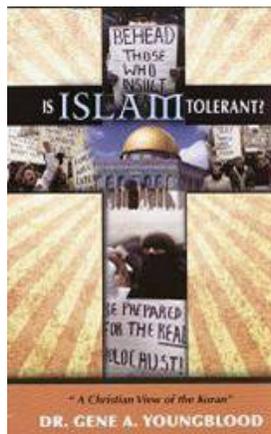

Dr Gene A Youngblood's book "**A Nation On Trial- America Stands Before God.**" is a verse by verse study of Isaiah Chapter One. "*A sinful nation... having forsaken the Lord... the whole head is sick... and the whole heart faint*"- words from Isaiah that will strike home as you consider our country and our world today.

Throughout the centuries, empires and nations have arisen and fallen. Within the pages of Scripture, we are confronted with God's judgment revealed against nations that have turned their backs on Him. God will not be refused, rejected, or rebelled against without consequences; He is God, and He will be recognized and honored, or He will declare that nation guilty, and the weight of His judgment will fall. **Take heart**- there **is** a remedy.

IS ISLAM TOLERANT?

Is there an enemy who seeks the utter destruction of our way of life to establish a global religion? Could Americans be apathetic to the point of selecting complicit leaders? The Coming Global Islamic Invasion

Islamic plans for global domination should be a grave concern for all Americans. This book examines Ezekiel chapters 38 and 39 with the searchlight of truth that exposes the evil plan of Islam. God's Word warns us to be watchful, alert, and witnessing until Jesus returns.

The Muslim Brotherhood credo is "Allah is our god, the prophet is our guide; the Koran is our Constitution; jihad is our way; and death for the glory of Allah is our greatest ambition."

Included is a verse by verse study of II Chronicles, chapter 10.
