AN ATTACK ON AMERICA... Baseball Field!!!

WASHINGTON - They were "sitting ducks," said Sen. Jeff Flake, R-Ariz.

"It would have been a massacre," Sen. Rand Paul, R-Ky., told CNN after gunman James T. Hodgkinson opened fire on Republican lawmakers at a baseball practice early Wednesday morning in Alexandria, Virginia, just across the Potomac River from the nation's capital.

"The field was basically a killing field."

"Nobody would have survived without the Capitol Hill police," added Paul.

"Had they not been there, it would have been a massacre. As terrible as it is, it could have been a lot worse," said Paul.

He added: "... All we would have had was baseball bats."

Dateline: WASHINGTON D.C., U.S. Congressmen face a Political terrorist while at baseball practice in preparation for a charity ballgame to be held June 15th in Washington.

Most Americans believe that our legislators would be safe on a baseball field, BUT, no, they were not. The high level of vitriol and OPEN threats from the political LEFT and the Socialist arm of our American government has led to OPEN aggression and attempted murder by an angry, hostile, yes, possibly deranged individual. All of America is under assault and attack by the powerful operatives and the media in our nation.

As we watch and follow the aftermath of this horrific political terrorist

attack, we all agree that there MUST be some protections and/or devices put in place to protect our congressmen.

YET, it seems that on both sides of the aisle in Washington there is LITTLE or NO real attempts to back up the President when he talks about PROTECTING AMERICAN BORDERS and preventing Islamic terrorist from coming into America from multitudes of other countries with full intent on HARMING Americans. All we need to do is open our eyes and see what the Islamic terrorists have done around the world. Recent attacks should cause every American to be concerned and have a deep desire to become educated on the reality and dangers of Islam.

On June 24th Conservative Theological University will host a "FACING ISLAM" conference-seminar. The conference will feature speakers that are knowledgeable of Islam and the inherent dangers facing AMERICA today. Please see our flyer below. We strongly urge you to attend, you will be so glad you did. Cost is \$20; doors open at 8:30 AM and the conference begins promptly at 9:00 AM.

We look forward to having you as our very special guest.
