WAR ON AMERICA

Dr Gene A Youngblood,
Pastor, Founder

We are witnessing dramatic changes occurring in our great nation. America is under attack! What we are seeing is the fulfillment of prophetic scripture. Matthew 24 is replete with God's warnings of the Last Days. The Bible very explicitly warns of the signs that we are seeing in the last days before the Lord Jesus raptures his church out of this old world. The following is just a brief overview of the characteristics and conduct of the devastating things that shall, in fact, are happening today.

1. **FALSE PROPHETS...** we recently witnessed the false prophesies of the world

coming to an end on September 23, 2017, and just before that we were told by these same false prophets that the eclipse of August 21st 2017 would be the final 40 days of repentance before the end of the world. FAKE, FALSE Prophets.

2. FAMINE... Globally this is happening every day. Some nations do not have food enough to sustain human life.

3. EARTHQUAKES... evidence of this is unavoidable. Recently an 8.1 quake hit Mexico City, then another and several aftershocks in the same general area. Earthquakes have increased and intensified in the recent years, fulfilling God's Word.

4. HURRICANES... we have seen the utter devastation of multiple category 3-5 hurricanes, typhoons, and other geological upheavals around the world.

5. WARS AND RUMORS OF WARS... there is not a spot on the globe that is free of war and tension. N. Korea, Iraq, Iran, Russia, Syria, the Islamic terrorists are making their final approach for global domination.

6. NATION AGAINST NATION... the word for nation in the Greek text is the word, Ethnos = meaning race or ethnic. We are witnessing racial tensions around the world. Since the Obama administration we find racial tensions boiling over in America.

THEN, in II Timothy chapter 3:1-5 the Word of God warns us that there will be perilous times. This literally means: dark, dangerous, destructive, disastrous times. Furthermore, we are told that people will be prideful, disobedient, homosexual, liars, despisers of those that are good, traitors, heady, high-minded, lovers of pleasure more than lovers of God, having a form of Godliness but, denying the power thereof.

I must remind us that we are witnessing God's word being fulfilled. In our great nation, we are seeing "**WAR ON AMERICA**". Some of the same elements and forces of darkness are at work now. What are some of these evidences?

1. THE BIBLE AND THE CROSS have been banned by the political left. Public schools and so called government property will not allow the cross, prayer, or Bibles. You are disallowed to pray "in Jesus' name" in a public forum. Now, Islam, homosexuality, socialism and anarchy are promoted in the public school textbooks.

2. BLACK LIVES MATTER... a movement spawned and spewed via socialists, Communists, and financed by George Soros designed to destroy America.

3. OUR CONSTITUTION... is now under heavy assault. Our religious liberties are being truncated and trampled underfoot by liberal judges who render decisions against Christians and their businesses. The social, ethical, moral fiber of the home, and the family is being destroyed. Socialist leftwing judges are now saying the LGBT movement TRUMPS the first amendment rights of Christians. Our right to keep and bear arms continues to be under assault by the socialists who sit in Congress on both sides of the aisle.

Be aware, when you destroy the educational system and take away the right to keep and bear arms, any tin horn dictator can control our nation and its people.

4. **OUR LANDMARKS** are now being removed, or destroyed and with this is the rewriting of American history. This denies our future generations from knowing true American history.

5. **OUR FLAG...** is now being spit upon, and trampled underfoot. The Marxist Colin Kaepernick has led the way for the NFL to follow in his steps in the disrespect, and disregard for our FLAG and what it represents. Notwithstanding the shed blood of our soldiers that have given their all for our security and freedoms which our flag represents. "Taking the knee" as it is called, supposedly is in rejection of racial discrimination. Yet, our flag stands for the liberty and freedom of ALL of us, as Americans, regardless of race or ethnicity. The flag and anthem are UNITING symbols. Many NFL players have refused to stand for the national anthem. This, by the way, is in contradiction of the guidelines of the NFL, which state that players should stand at attention and place their hand over the heart for the national anthem.

SO, how should we then live? Let me close with a few words of caution and counsel.

1. **EVERY CHRISTIAN** must **PRAY**, seek God and ask for his intervention.
2. **EVERY CHURCH** must **participate**, stand up, speak up. DO NOT just sit in silence and pretend that these things are not really happening.
3. **EVERY CITIZEN** must **demand** that our cities, counties, and state, as well as national leaders, adhere to our constitution.
4. **OUR COUNTRY** must **turn back to GOD** before it is too late.

REMEMBER II Chronicles 7:14, "If my people which are called by my name shall humble themselves, and pray and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land".

May God intervene and deliver our great nation before it is too late.
