CAN EVOLUTION BE DISPROVED?

Many Bible scholars, theologians, and pastors have wrestled with this question for centuries.

God uses the terms day, time, days, months, and years in His Word! It is vital to know what the Bible says about the fallacy of evolution.

Scholars over two centuries

have studied, searched, and surmised just how long this world would stand. Some conclude the world is millions of years old. Others are confused, or try to appease the evolutionists.

But, what does the Bible teach?

C.T.U. will present a hard-hitting, truth-finding, Biblically derived 7,000 year time line for every Christian or skeptic to understand. Every Christian, Bible student, and ministry worker should attend this seminar.

Conservative Theological University will present God's 7000 Year Biblical Timeline seminar Friday and Saturday, July 20-21.

THE KINGDOM OF GOD

You will not want to miss the July 20,21 seminar at Conservative Theological University. **"The Kingdom of God"** will give the participant **"A Journey Through The Ages"**- a look at "The Big Picture".

**Dr. Dorothy Youngblood,
V. President**

Most Bible students, pastors, and even Bible scholars have never really gotten a grasp on the history of the Bible. This seminar allows you to travel over a **7000 Year Biblical Timeline**.

Bible students talk about "The Kingdom of God", yet rarely ever study or understand the details of dates, months, times and years as recorded in God's Word. Have you ever wondered just WHY God gives us dates and times in HIS Word? It is because TIME is meaningful to God and should be to us. God has a wonderful plan for us and He is carrying out His plan each and every day. If you are a student of the Bible or just a casual reader of God's Word, you will leave this seminar A Changed Person. You will NEVER again view the Bible as you do now.

Dr. Dorothy C. Youngblood, Founder and Executive Vice President, received her Ph.D. in Christian Education with a focus and dissertation in Christian-Biblical World History via a historic timeline. This makes Dr. Youngblood uniquely equipped to teach this seminar, bringing to life an overview of history from Creation to The End of the Age. Through the breadth and depth of world history, including current events in this world, you will be well informed. **"Journey Through the Ages" "The Kingdom of God" (7000 Year Biblical Timeline)** will be a blessing to you whether you are a college student taking this course for credit or if you would like to audit the course for a \$99 fee or less, which includes lecture, lunch and syllabus. Inquire about reduced rates.
